Manually Priced Reimbursement

Dear Participating Provider:

As we are continuously reviewing our network to ensure efficient use of state funds, we are seeking to form lasting partnerships with local providers at market-competitive rates.

Effective April 15, 2019, Aetna Better Health of Louisiana will begin reimbursing DME providers a flat rate for all manually priced codes. We will no longer reimburse a percentage of billed charges for these codes.

You will find a listing of all manually priced DME codes and the reimbursement rates on our secure provider portal. If you are currently not registered on our provider portal, please follow the below instructions.

- Go to aetnabetterhealth.com/louisiana
- Click on "For Providers" (at the top of the screen navigation)
- Click on "Provider Portal" (on the left of the screen navigation)

As always, we are thankful for your participation in the Aetna Better Health of Louisiana network. We look forward to continuing a successful partnership in shaping health care for the Medicaid population in Louisiana with your organization.

Sincerely,

Mark Grippi
